

## **COSTA RICA, May 28-June 4, \$1400**

Join former Anonos intern Tim Wynkoop as he leads a team to our partner church in Los Anonos, Costa Rica, a small area right outside San Jose. Open to adults & parents with older children/teens, this team will work in the community doing construction tasks, community rehab & repair, Bible classes & seminars, children's activities, including lots of soccer. Your training, skills, & hobbies can be a HUGE benefit – we can use a seamstress for sure and other skills can make a BIG impact!
