WORD (25 minutes)

1. Read Proverbs 2:1-5
 - How can you improve your relationship with the Word of God?
 - What do you find difficult about Bible reading and study?
 - If you look back at your life, is there a time that sticks out to you where you were truly tuned in to God's Word? Why does that time of your life stand out?
 - Bonus question if you have children: How do you attempt to infuse God's wisdom in their lives?
2. Read Proverbs 2:6-11
 - What are some areas of your life where Scripture has truly changed how you lived?
 - Do you have a favorite verse that you have memorized? (It's okay if you look it up)
3. Read Proverbs 2:12-15. Pastor Brett said that perverted speech draws us away from God's truth. How are we exposed to this sort of thing these days and how do we combat it so that it doesn't override God's Word in our lives?
4. Read Proverbs 2:16-19. Pastor Brett said that smooth words are spoken in order to draw us away and off the path of obedience to God. What kinds of things keep us on the track of obedience?
5. Read Proverbs 2:20-22. God would be pleased, and we would be pleased if there were more people walking around who lived with integrity and walked along the good and righteous path. What part do we play in seeing more people begin to live like this?

WORKS (25 minutes)

“How Far” by Tasha Layton

How far is too far
I thought I'd be there by now
I followed shame to the place
I was sure Your grace ran out

So I kept running and running and running
But You kept chasing and chasing and chasing

A million miles of my mistakes
Still couldn't keep Your love away
However far away I am from home
That's how far Your love will go

I turn around and I see
Pure compassion in Your eyes
A Savior's voice says to me
Time to come back home, my child

I came running and running and running
And You kept reaching and reaching and reaching, Lord

A million miles of my mistakes
Still couldn't keep Your love away
However far away I am from home
That's how far Your love will go

Mercy's arms stretched open wide
You paid it all
What kind of love lays down His life?
Willing to cross

A million miles of my mistakes
Still couldn't keep Your love away
However far away I am from home
That's how far Your love will go

Oh I couldn't keep Your love away
However far away I am from home
That's how far Your love will go
How far Your love will go

Arms stretched open wide
That's how far Your love will go

(How far Your love will go
How far Your love will go)

That's how far Your love will go
