Unstoppable God by Sanctus Real

I wish I knew when this mountain in my way is gonna move
Hope it's okay to tell the truth
Sometimes the doubt starts to win
Yeah, I'd be lying if I told you I was anything but weak
Right now my struggle is all I see
But I'm not giving in
My story will not end in defeat

'Cause nothing can stop an unstoppable God
He's not afraid of impossible odds
This is the promise that I'm standing on
Nothing can stop an unstoppable God

This is the promise that I'm standing on
Nothing can stop an unstoppable God

I will not listen to the lie that says it can't be done
I know my war is already won
And I'm claiming victory
'Cause I know who's fighting for me

Nothing can stop an unstoppable God
He's not afraid of impossible odds
This is the promise that I'm standing on
Nothing can stop an unstoppable God

This is the promise that I'm standing on
Nothing can stop an unstoppable God

Where does my help come from?
Where does my help come from?
My help comes from the Lord

Where does my help come from?
Where does my help come from?
My help comes from the Lord

Nothing can stop an unstoppable God
He's not afraid of impossible odds
This is the promise that I'm standing on
Nothing can stop an unstoppable God

This is the promise that I'm standing on
Nothing can stop an unstoppable God

Where does my help come from?
Where does my help come from?
My help comes from the Lord
