

## An Ascending Life 2

### Psalm 120-134

#### Four Questions For An Ascending Life:

#### Questions 1 & 2 *(last week's focus)*

Who is God/Jesus, and what has He done or is He doing?

#### Questions 3 & 4

Who am I in light of that work?

How should I live in light of who I now am?

#### Here's How This Works...

- The Psalms of Ascent extol God as our only hope, central joy, and essential source of life. He has worked accordingly in many ways on behalf of His people.
- That being the case,
  - **WHO AM I** in light of those truths, in Christ?
  - How should I live in light of who I am in Christ?

#### Psalm 126:1-3

- God is a **RESTORER** who does great things for His people.
- We are also His people, so...
  - We should ask for His **SPECIFIC** work in all our needs.
  - We should be glad and engage in habits of gladness.

#### Psalm 131:1-3

- God is **WORTHY** of trust and hope
- We are His people, so...
  - we should learn to calm and quiet our souls before Him.
  - we should **TRUST AND HOPE** in Him.
